

Mexico Mission

Reynosa, Mexico or Hidalgo County, TX

A strong tradition here at Heritage is a yearly family mission trip with Mission Discovery (www.missiondiscovery.com). Parent-child teams and/or whole families are invited to a cross-cultural mission experience. Mission Discovery has been present and serving Reynosa, Mexico since 1991 and has helped build thousands of houses. Last year's unrest at the border presented an opportunity for MD to serve the poor in Hidalgo County, TX. MD will be monitoring the conditions in Mexico and will decide by March 2010 if they are returning to Reynosa or Hidalgo.

Accommodations for our mission team will be at a camp facility in TX equipped with air-conditioned bunk & bath houses, dining hall, worship center & swimming pool. Each day we'll pack lunches and travel to a work-site where we'll help build or repair homes and help with a VBS for the community at a local church.

June 6-12 (Jr/Sr High & Families), \$950.00 each for trip & transportation, 50 people maximum - this is a good first-trip experience. Sign-up deadline + \$250 non-refundable deposit is due February 28.

Fund-Raising

We invite you to open your eyes widely and look for ways God may provide the funding for your trip. Talk to those who have gone on short-term mission trips and you'll learn that God ALWAYS provides!

Fund-raising training and assistance will be provided.

San Marcos, Peru

Situated in a beautiful valley of the Andes Mountains, San Marcos will serve as our mission home-base. We will fly into Lima and then travel by chartered bus to San Marcos (approximately 8 hours). The scenery is breathtaking!

Most of our lodging will be in a comfortable hotel but there will be a few days that we will travel to primitive villages where we'll do "Community Health Evangelism" (CHE). The lodging and living conditions in these villages will be very humble and limited.

Each day from San Marcos, teams will travel by bus, 4 wheel-drive vehicles, and some may have to hike or horseback ride with supplies. The terrain and altitude requires all team members to be in good health and physical condition. This is not your basic trip!

Medical personnel, Christian teachers & preachers, children's workers and those 18 years & older who want to serve some of the least reached people in the world are invited to join this team.

July 15-25 (18 yrs. & Up), \$1,400.00 each for trip & transportation, 30 people maximum - specialized skills and training required, yet this too is a good first-trip experience. Sign-up deadline + \$300 non-refundable deposit is due February 28.
